

Structured Manager Training Programmes (2024/25)
(Commissioned by Education Bureau)
Foundation Programme: For Participants who have
LIMITED or NO Experience in Education and School Operation

Programme Objective

The target participants of Foundation Programme (FP) are serving or potential school managers who are not working in education-related fields. They have not attended any similar manager training programmes before and have limited or no experience in education and school operation in Hong Kong. The FP aims at providing school managers a better understanding of their roles and functions as Incorporated Management Committees (IMC) managers within the School-based Management (SBM) governance framework. The FP is specifically for IMCs, but some content is also suitable for School Management Committees (SMC) Chairpersons and Members of Government Schools. Enrolling in FP is eligible to meet Education Bureau's Soft Training Target for school supervisors and school managers.

Medium of Instruction

Cantonese will be the major medium of instruction, supplemented by English. The training materials will be in Chinese (supplemented by English, if applicable).

Programme Structure and Session Content

The FP comprises of 2 parts: Part 1 introduces to school managers the governance in IMC schools; Part 2 explains the roles and responsibilities of school managers. Each part consists of two 2.5-hour sessions; a total of 4 sessions in the FP. Each session would provide two timeslots for school managers: one for weekday evenings and one for Saturday mornings. Participants are recommended to attend all 4 sessions in both parts to better prepare for their school manager roles yet can attend any sessions considering their availability.

Part 1, Session 1

Understanding the latest education initiatives and the implications of the Constitution, Basic Law and National Security Education to school operations

This session will introduce new school managers to the latest education initiatives in Hong Kong that affect school operations, highlighting the operation principles of the Constitution, Basic Law and National Security Education to school operations, for helping schools formulate appropriate plans and policies for nurturing students' national identity and responsibilities.

Speaker: Pr CHOY Sai Hung

Part 1, Session 2

Understanding the functions, operations and meeting protocols of IMCs

This session provides new school managers a general overview of school-based management (SBM) development in Hong Kong. It focuses on the functions, responsibilities, operations and the standing meeting protocols of Incorporated Management Committees (IMCs). It aims to enable the new school managers to understand the operation of IMCs, and the working relationship with school staff so that the new school managers could perform their roles effectively and foster the development of the schools.

Speaker: Dr CHEUNG Wing Ming Francis

Part 2, Session 1

Exploring approaches to strengthen the roles and responsibilities of school managers (Parent, Alumni and Teacher) to IMCs

This session focuses on the roles and responsibilities of various categories of school managers, differentiating the role of a school manager from that of a Parent-teacher Association chairperson (and committee members), Alumni Association chairperson (and committee members) or Teacher. It also introduces the legal protection and ethical conduct to school managers. The session will use case studies to inspire participants to explore better ways to enhance collaborations in the IMCs.

Speaker: Mr CHAN Shiu Choy

Part 2, Session 2

Understanding the monitoring roles of school managers in school financial and human resources management

This session aims to give new school managers a general overview of school finance and human resources management, referring to the Education Ordinance and the Code of Aid. It highlights to school managers the importance of their monitoring roles in school financial and human resources to effectively monitor the schools' use of public funds and formulate different policies for using those resources.

Speaker: Dr CHU Kai Wing
